

A R Y D A V A N I

about

I developed a passion for problem solving after playing games like Limbo, Braid, and The Witness. Web development has satisfied my desire to continue solving unique problems and finding those "aha" moments.

skills

React.js
Redux
Javascript

jQuery
HTML/CSS
SCSS

Node.js
SQL
MongoDB

Git
Express.js
Mustache

relevant experience

The Iron Yard

MAY 2017 - SEPT 2017

- 12-week coding bootcamp specializing in highly focused, immersive training centered on language fluency, object-oriented programming, and project-based learning.
- Front End Development with a language focus of React.js and Redux.

Greenville Technical College

AUG 2015 - AUG 2016

- 12-month program in surgical technology where I learned the procedures and protocols of the field.
- Carried out detail oriented duties like setting up the sterile field and keeping track of all instrumentation, sharps, medication, and specimen during a case.

Davani's Restaurant

OCT 2010 - MAY 2017

- Rotated through various back/front of house jobs including preparing/cooking/plating food, bartending, and serving in an upscale restaurant.
- Direct customer care experience.

interests

- learning, puzzle games, biking, cooking, social events
